(1) ORGANIZATION AND BASIS OF PRESENTATION

Atlantic City Showboat, Inc. (the "Company"), is a wholly-owned subsidiary of Ocean Showboat, Inc.(OSI), which is a wholly-owned subsidiary of Showboat, Inc. ("SBO"). SBO is a wholly owned subsidiary of Harrah's Operating Company, Inc. ("HOC"), which is a direct wholly owned subsidiary of Harrah's Entertainment, Inc. ("Harrah's"). OSI was incorporated in 1983 and is a holding company with its principal assets being investments in the Company. The Company conducts casino gaming operations and operates full supportive services of hotel, restaurant, bar and convention facilities at the Showboat Hotel and Casino in Atlantic City, New Jersey ("Atlantic City Showboat"). On June 1, 1998, Harrah's, a Delaware corporation, purchased SBO and its subsidiaries.

The Company is licensed to operate the facility by the New Jersey Control Commission (the "CCC") and is subject to rules and regulations established by the CCC. The Company's license is subject to renewal every four years with the current license expiring April 2008.

2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Allowance for Doubtful Accounts

The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for bad debts.

Inventories

Inventories, which consist primarily of food, beverage and operating supplies, are stated at the lower of average cost or market value.

Land, Buildings and Equipment

Land, buildings, and equipment additions are stated at cost, including capitalized interest on intercompany funds used to finance construction calculated at Harrah's overall weighted-average borrowing rate of interest.

Improvements that extend the life of the asset are capitalized. Building improvements are depreciated over the remaining life of the building. Maintenance and repairs are expensed as incurred.

Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the asset or the related lease term, as follows:

Land improvements	12 years
Buildings and improvements	30 to 40 years
Furniture, fixtures and equipment	3 to 12 years

ATLANTIC CITY SHOWBOAT, INC.

Notes to Financial Statements

(Dollars In Thousands)

Land, Building & Equipment (Cont.)

The Company reviews the carrying value of land, buildings and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of the asset. The factors considered by the Company in performing this assessment include current operating results, trends and prospects, as well as the effect of obsolescence, demand, competition and other economic factors.

Deferred Financing Cost

Costs associated with the issuance of debt have been deferred and are being amortized to interest expense over the life of the related indebtedness using the effective interest method.

Financial Instruments

The carrying amount of cash equivalents, receivables and all current liabilities approximates fair value due to their short-term nature. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. After giving effect to their allowances, the Casino Reinvestment Development Authority (CRDA) bonds and deposits approximately indicate their fair value based upon their below market interest rates. The carrying amount of long-term debt is estimated to approximate its fair value as the stated rates approximate current rates.

Revenue Recognition

Casino revenues consist of net gaming wins. Food and beverage and rooms revenues include the aggregate amounts generated by those departments.

Total Rewards Program Liability

Our customer loyalty program, Total Rewards, offers incentives to customers who gamble at certain of our casinos throughout the United States. Under the program, customers are able to accumulate, or bank, Reward Credits over time that they may redeem at their discretion under the terms of the program. The Reward Credit balance will be forfeited if the customer does not earn a Reward Credit over the prior six-month period. As a result of the ability of the customer to bank the Reward Credits, we accrue the expense of Reward Credits, after consideration of estimated breakage, as they are earned. The value of the cost to provide Reward Credits is expensed as the Reward Credits are earned and is included in Casino expense on our Statements of Income. To arrive at the estimated cost associated with Reward Credits, estimates and assumptions are made regarding incremental marginal costs of the benefits, breakage rates and the mix of goods and services for which Reward Credits will be redeemed. We use historical data to assist in the determination of estimated accruals. At [March 31, 2006 and 2005, \\$4,136 and \\$2,264](#) million, respectively, was accrued for the cost of anticipated Total Rewards credit redemptions.

In addition to Reward Credits, customers can earn points based on play that are redeemable in cash ("cash-back points"). We accrue the cost of cash-back points, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in Casino promotional allowances on our Statements of Income. At [March 31, 2006 and 2005](#), the liability related to outstanding cash-back points, which is based on historical redemption activity, was [\\$1,071 and \\$2,023](#) million, respectively.

Promotional Allowances

Gross revenues include the retail value of complimentary food, beverage, theater and hotel services furnished to patrons. The retail value of these promotional allowances is deducted to arrive at net revenues. Recent accounting pronouncements on promotional allowances have been expanded to include cash rebates. The estimated cost of providing complimentary services and cash rebates to customers for the three months ended March 31, 2006 and 2005, respectively, were as follows:

	<u>2006</u>	<u>2005</u>
Food and Beverage	\$7,760	\$5,075
Rooms	3,082	2,760
Other	268	5
Bus Program Cash	3,626	3,275
Other Cash Complimentaries	<u>10,704</u>	<u>8,039</u>
	<u>\$25,440</u>	<u>\$19,154</u>

Income Taxes

The Company is included in the consolidated federal tax return of Harrah's and files a separate New Jersey tax return. The provision for federal income taxes is computed based on the statutory federal rate as if the Company had filed a separate income tax return. The provision for state taxes is based on the statutory New Jersey tax.

Deferred income taxes reflect the net tax effects of temporary difference between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes.

Omission of Disclosures

In accordance with the Financial Reporting guidelines provided by the Casino Control Commission (the "CCC"), the Company has elected not to include certain disclosures, which have not significantly changed since filing the most recent Annual Report. Accordingly, the following disclosures have been omitted: Future Lease Obligations, Employee Benefits and certain Income Tax disclosures.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation.

(3) RELATED PARTY TRANSACTIONS

The Company participates with HOC and its other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by HOC on a consolidated basis. The Company believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis.

Certain of the more significant intercompany relationships between the Company and HOC are discussed in this footnote.

Cash Activity with HOC and Affiliates

The Company transfers cash in excess of its operating needs to HOC on a daily basis. Cash transfers from HOC to the Company are also made based upon the needs to the Company to fund daily operations, including accounts payable and payroll, as well as capital expenditures. In addition, the Company transfers cash to HOC to reimburse HOC for payroll costs of certain HOC employees who provide services to the Company. No interest is earned on the amount shown as due from affiliates, net, in the accompanying financial statements.

Administrative and Other Services

The Company is charged a fee by HOC for administrative and other services (including consulting, legal, marketing, information technology, accounting and insurance). The Company was charged approximately \$2,544 and \$1,912 respectively for these services for the three months ended March 31, 2006 and 2005. These fees are included in Charges from Affiliates Other than Interest in the statement of income.

Rental Agreement

The Company leases 10½ acres of Boardwalk property in Atlantic City, New Jersey for a term ending in 2082 from an affiliate. Annual rent payments, which are payable monthly are adjusted annually based upon changes in the Consumer Price Index. The Company is responsible for taxes, assessments, insurance and utilities. Rent expense under this lease for the three months ended March 31, 2006 and 2005 was \$2,732 and \$2,650 respectively.

Subsequent to the acquisition of SBO by Harrah's on June 1, 1998, Harrah's completed tender offers and consent solicitations for SBO's 9¼% Bonds. As a result of the receipt of the requisite consents, Harrah's eliminated or modified substantially all of the negative covenants, certain events of default and made other changes to the respective indentures governing the 9¼% Bonds.

On January 15, 1999, the Company entered into a \$500,000 intercompany promissory note with HOC. The debt terms are consistent with the provisions of third party credit agreements arranged by HOC. The intercompany note is due on January 15, 2009, and is secured by the assets of the Company. Interest is payable semiannually at a rate of 7½%.

March 12, 2003, both the 9¼% Bonds and the 7½% Promissory Note were assigned by their respective holders to Harrah's Entertainment Limited, formerly known as Gaming Entertainment Limited. The terms and amounts of the debt were not affected by this assignment. The only notable change resulting from the assignment was a change in the timing of interest payments.

(12) COMMITMENTS AND CONTINGENCIES

Litigation

The Company is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Company's financial position or results of operations.

CRDA Investment Obligation

The New Jersey Casino Control Act provides, among other things, for an assessment of licenses equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the CRDA.

Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be used for donations designated by the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to 50 years and bear interest at below market rate.

The Company includes CRDA investment bonds and funds on deposit in deferred charges and other non-current assets in the accompanying balance sheets. The Company records charges to operations to reflect the estimated net realizable value of its CRDA investment obligations.

Deposits with the CRDA bear interest at two-thirds of market rates resulting in a current value lower than cost. As more fully disclosed in Note 5, at [March 31, 2006 and 2005](#), Investments, Advances, and Receivables include [\\$30,848](#) and [\\$27,135](#) respectively, representing the Company's bond purchases and deposits with the CRDA, net of the valuation allowance. The carrying value of these deposits, net of the valuation allowance, approximates fair value.

The twelve Atlantic City casino properties (the "AC Industry") and the CRDA have entered into an agreement with the New Jersey Sports & Exposition Authority (the "NJSEA") to provide funding to subsidize New Jersey's horseracing industry. In exchange for this funding, the NJSEA and the three active New Jersey racetracks will not conduct any casino gaming at the racetracks prior to January 1, 2009. As part of the agreement, the AC Industry will provide \$34 million over a four year period to the NJSEA and must deposit another \$62 million into the Casino Expansion Fund (managed by the CRDA). The \$62

million will be derived from funds either currently on deposit or to be deposited with the CRDA pursuant to

each casino property's investment obligation. The Company's obligation is equal to its fair-share of AC Industry casino revenues. The Company estimates this commitment over the four year period to be \$2,717 the first payment of which was made November 2004. This amount will be charged to operations on a straight line basis through January 1, 2009. Once the Company meets its deposit obligation related to its fair share of the \$62 million, the Company is eligible to receive funds from the Casino Expansion Fund for qualified construction expenditures. The Company has until June 30, 2014 to submit an application to exhaust its share of the Casino Expansion Fund. Any funds not transferred out of the Casino Expansion Fund by the required date will be transferred to funds on deposit with the CRDA pursuant to its ongoing investment obligations.
